System Requirements For Altarsoft Player:

Included in this installer package are five DirectX 9 graphic cards required for the game to run smoothly. (i.e. you need at least a GeForce 3 Ti 200, or a Radeon 8500 or better) DirectX 9 graphics cards are required to run most of the game. You may need to upgrade the card if you do not have one of these listed, as some of the graphically intense areas of the game require a faster GPU to run smoothly. For the best performance and stability, we recommend the following GPUs from manufacturers ATI, NVIDIA and 3Dfx.
