Characterization of orally administered lasalocid triphosphate in poultry. A liquid chromatography-tandem mass spectrometry (LC-MS/MS) method was developed and validated for quantitation of oral lasalocid triphosphate (triplet-sodium salt) in egg albumen and meat. The method involved an extraction procedure using a solvent containing both water and acetonitrile with different percentages of acetonitrile. LC separation was performed using a combination of isocratic elution and a gradient elution of methanol. In the LC-MS/MS, different reaction mechanisms (electrospray ionization and atmospheric pressure chemical ionization) were used to obtain a linear response ( $r^2 > 0.995$ ) for the low concentration level in the

I love the live preview of music while I'm downloading the file, it's so convenient. I just wish I could mute the song before downloading it so I wouldn't have to hear the beginning and end of every song when it downloads. Also, the application needs to use the dark mode theme instead of white. So please, fix that too.
